Kenosha County
Wisconsin

PRESENTATION OUTLINE

	Project Team
	Purpose and Need
	Project Limits
	Project Schedule
	Project Overview
	Public Involvement

INTRODUCTIONS

PROJECT TEAM

Kenosha County

- Clement Abongwa, Highway Director
- Doug Coeur, Project Manager
- Joe Potente, Communications Manager

Wisconsin DOT (WisDOT)

- Mark Zapp, Project Manager
- Ben Bast, Project Lead

Construction Management Consultant

- Dave Vivian, Lynch Engineering

Contractor

- A.W. Oakes & Son, Inc.

PURPOSE & NEED

The goal of the project :

- Improve intersection safety and efficiency
 - Numerous crashes
 - Majority were angle crashes caused by failure to yield, which can be mitigated with roundabout
- Roundabout advantages:
 - Less severe intersection crashes

PROJECT LIMITS

Limits:

(County) Highway Y –
(County) Highway A
intersection

Length:

Highway Y – 1,500 ft
Highway A – 1,500 ft

Construction: 2023

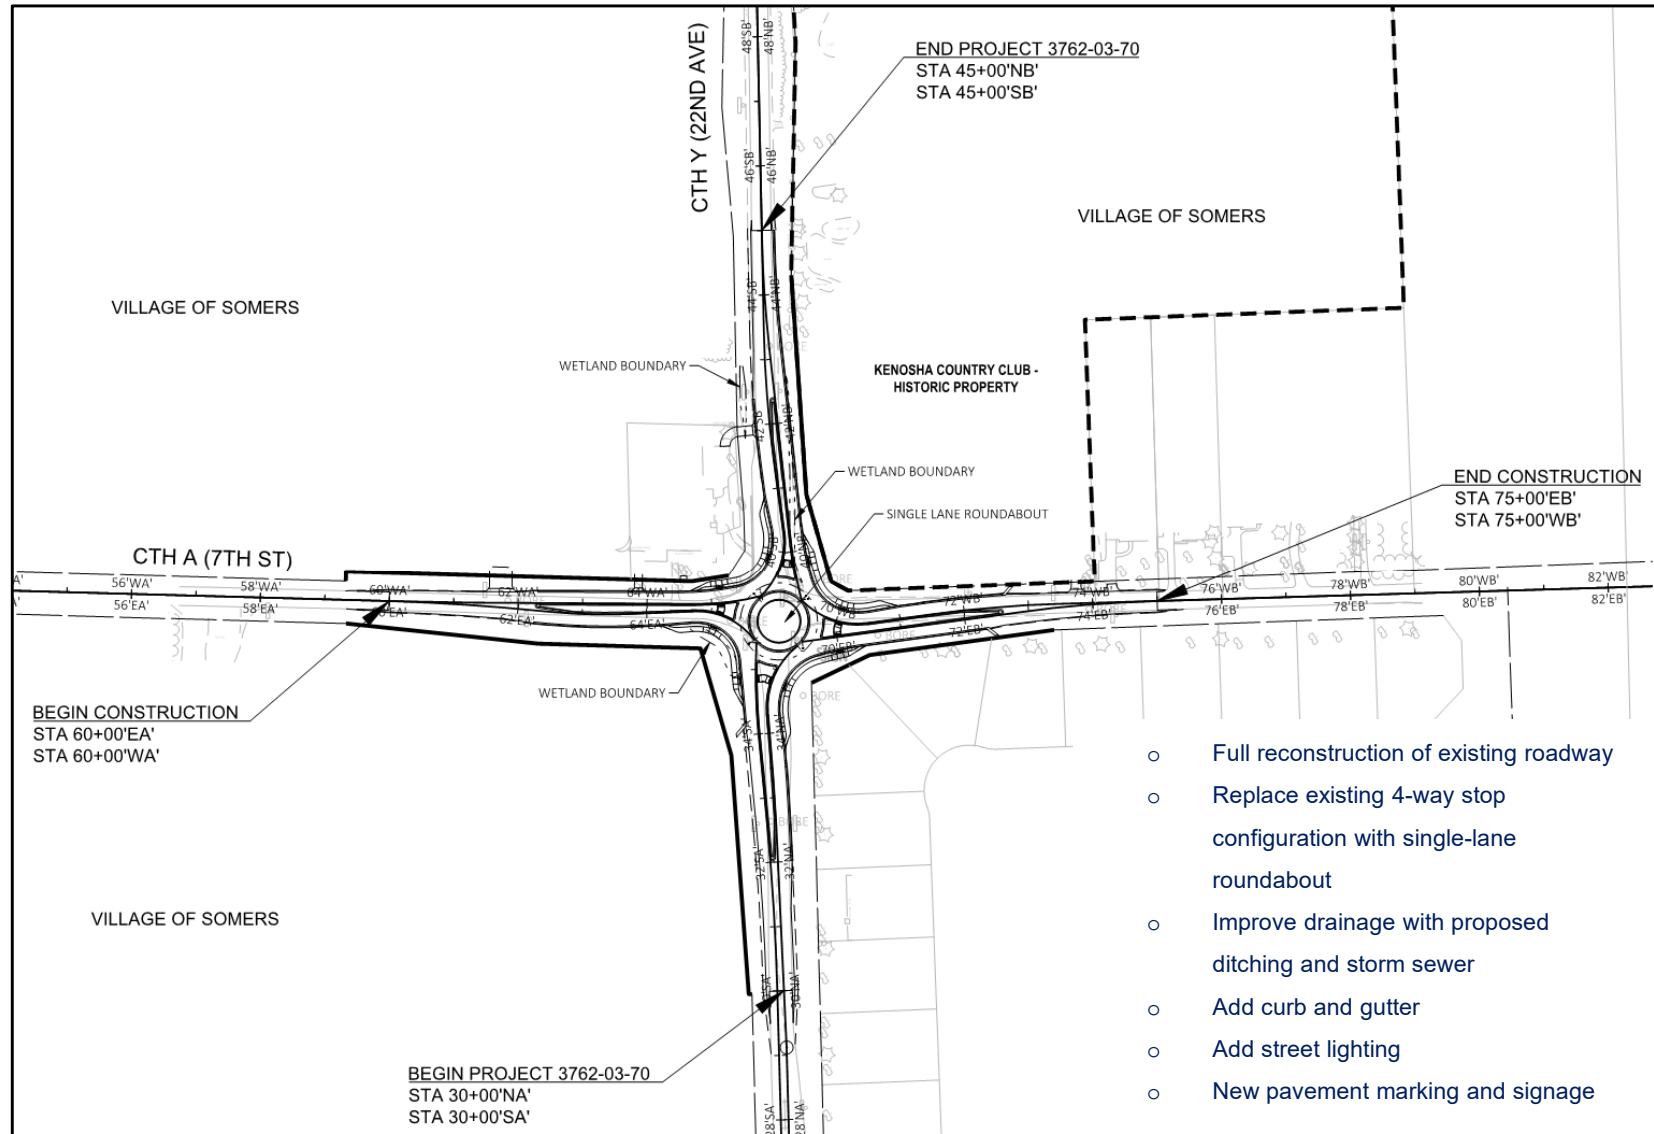

PROJECT SCHEDULE

- Project scheduled to begin March 22, 2023
- Completion scheduled for late August 2023
- Highway Y and Highway A will be closed for the duration of the project
- Access to businesses and residences will be maintained

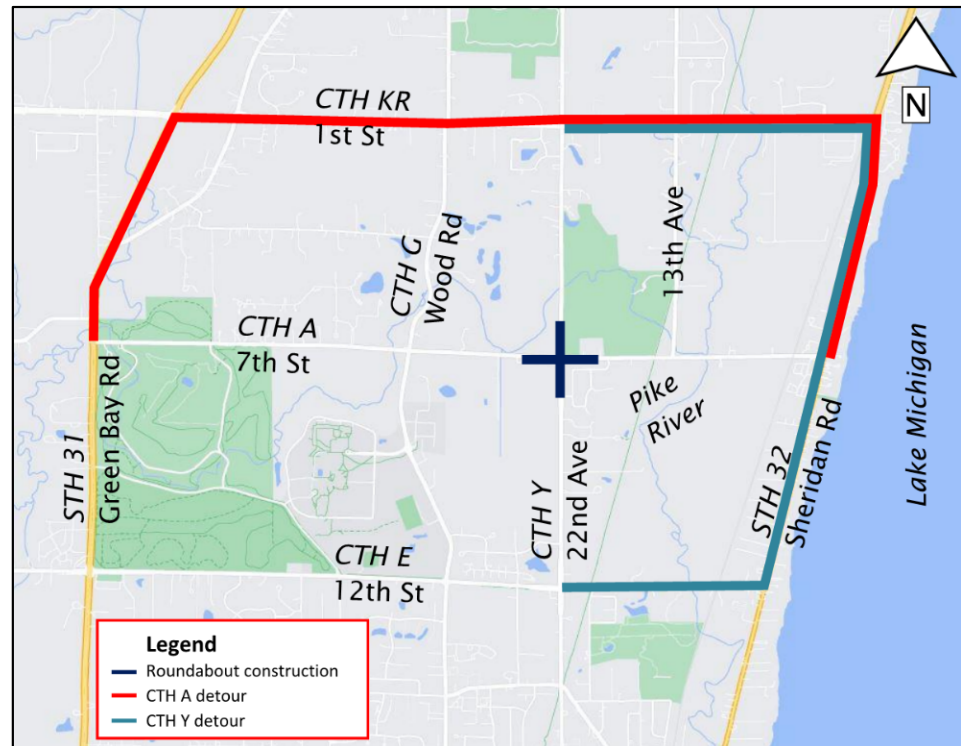

PROJECT OVERVIEW

DETOUR

- Highway A motorists are encouraged to utilize WIS 31, Highway KR, and WIS 32 to detour around closure
- Highway Y motorists are encouraged to utilize Highway E, WIS 32, and Highway KR to detour around closure
- Maintain access for EMS
- Address any through traffic within subdivision

SITE SAFETY

- Safety of the traveling public and workers is our first priority
- Encouraging the public to obey all traffic signs
- We rely on the public to report any unsafe situation within the work zone
- Dust, noise, and drainage control during construction

Motorists should obey traffic control signs and pavement markings, and drive safely through the work zone
