

Public Information Meeting

County Highway EM Resurfacing Project

June 28th, 2022 at 5:00 p.m.

**Presented by:
Len Roecker, Project Manager**

PRESENTATION OUTLINE

- Project Team
- Purpose and need
- Project Limits
- Schedule
- County Highway EM Improvement Overview
- Public Involvement

INTRODUCTIONS

PROJECT STAFF

Kenosha County

- Clement Abongwa, Highway Director
- Kwame Amegashitsi, Civil Engineer

Project Consultant

- Len Roecker, Project Manager
- Robert Wielgos, Project Engineer

PURPOSE & NEED

The goal of the project is to

- Construct widened shouldering to improve traffic, drainage, and pedestrian safety
- Improve pavement condition by milling and resurfacing the existing roadway
- Detain and treat the storm water runoff prior to the adjacent lakes.

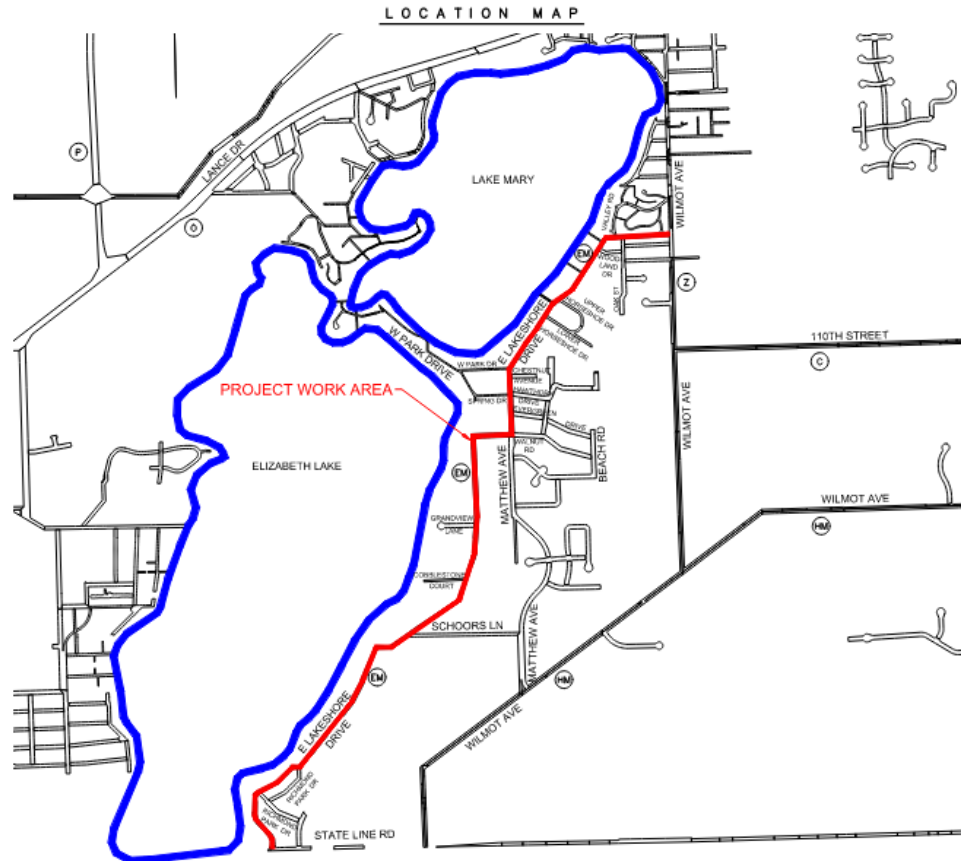

PROJECT LIMITS

Limits: County Highway EM

State Line Road to County Highway Z (Wilmot Avenue)

Length:

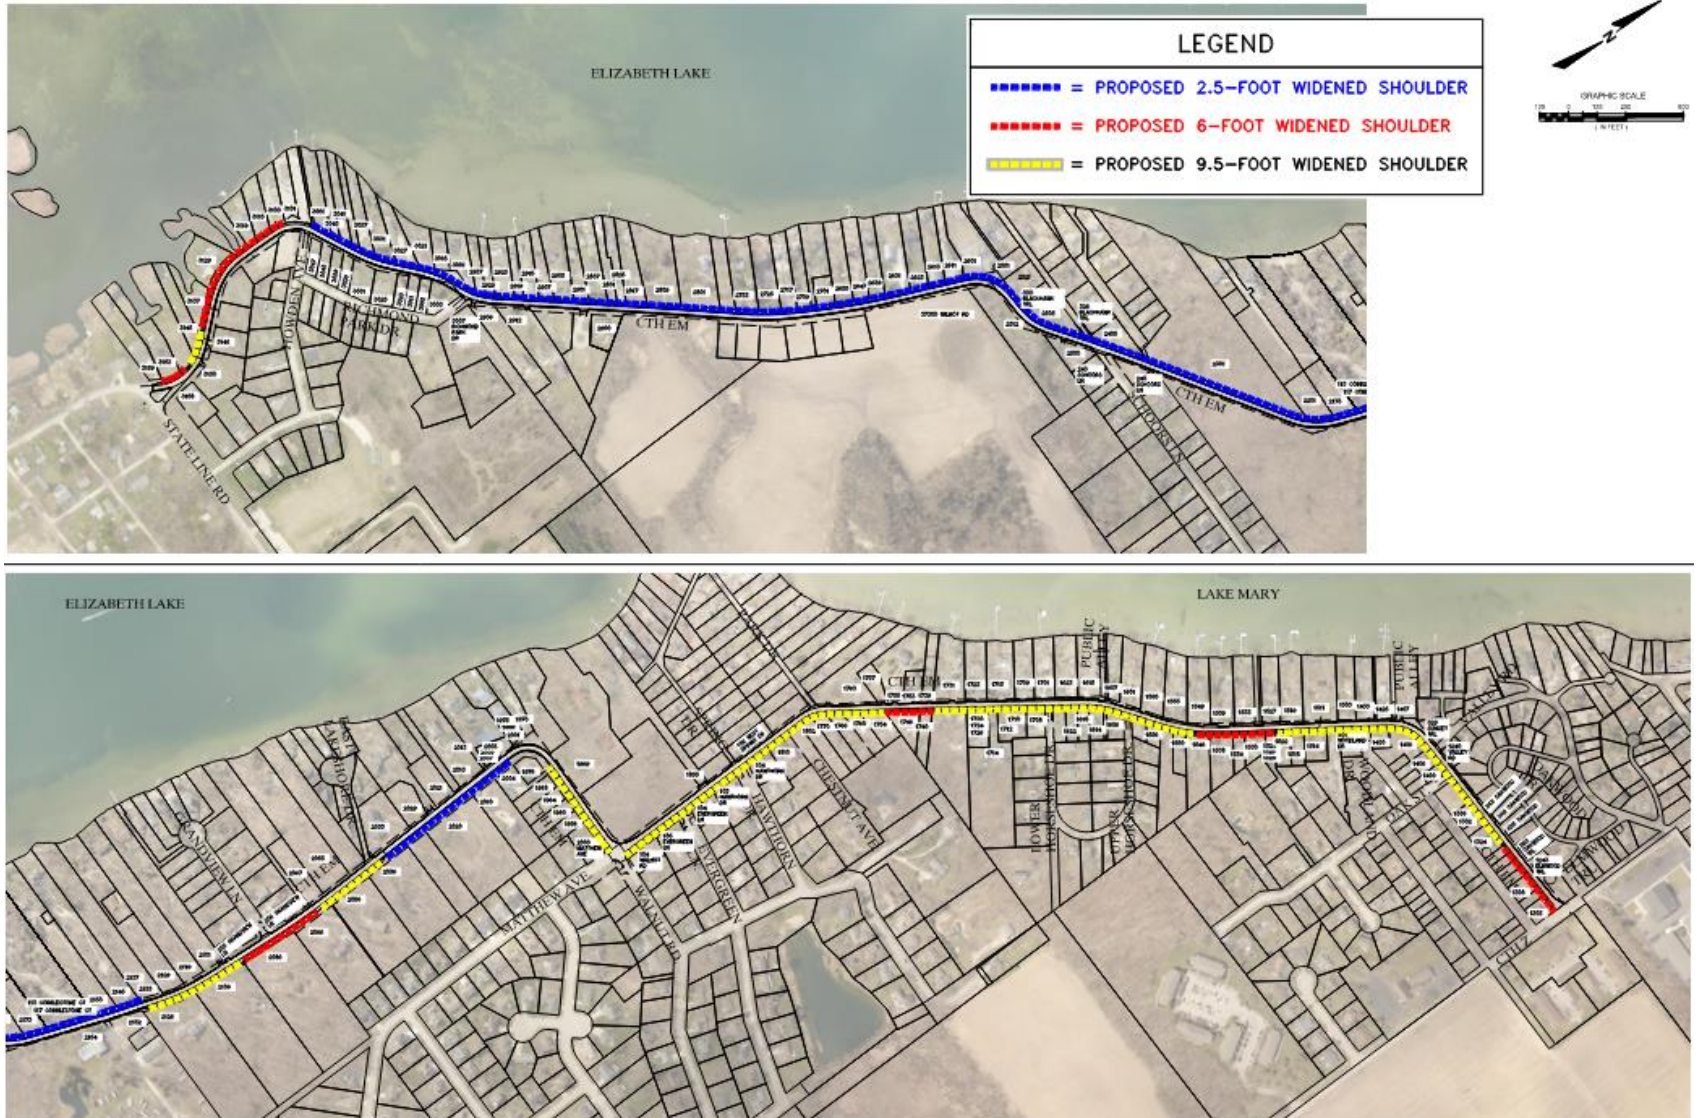

- State Line Road to County Highway Z (2.6 miles)

SCHEDULE

- Project Design work: June – October 2022
- Project Bidding: November – December 2022
- Project is scheduled to begin construction in March 2023
- Construction completion scheduled for June 2023
- County Highway EM will remain open to local traffic during the project. Access to businesses and residences will be maintained. With cautious travel in the construction zone.

WIDENED SHOULDER LOCATIONS

SITE SAFETY

- Safety of motorists, public and workers is priority one
- Protection and identification of hazards
- Dust control and environmental protection

- Asphalt Pavement Resurfacing and Shouldering Work will follow underground work.

If you have any questions about the project, you may contact the Project Manager, Len Roecker, by phone at: (262) 317-3383 or by email at: len.roecker@rasmith.com

HIGHWAY IMPROVEMENT PROJECT

CONSTRUCTION NOTICE

Highway EM from State Line Road to Highway Z

Project Information

Kenosha County will be resurfacing and constructing asphalt shouldering along Highway EM in the Village of Twin Lakes in spring 2023. The Highway will remain open to traffic during construction for local access needs.

The project team thanks you for your patience and cooperation throughout this project!
