## **Youth As Resources Board applications due May 2**

Kenosha County who will be in high school next school year are now invited to apply to serve on the Youth As Resources Board.

Funded by the United Way of Kenosha County and coordinated in partnership with the University of Wisconsin-Madison Division of Extension, the YAR Board is a grant-funding board made up of nine youth and three adults who fund youth-led service projects throughout the community.

Youth on the YAR Board meet monthly from September through May to hear grant presentations given by K-12 students and to collaborate on service projects of their own.

The deadline to apply for board membership is May 2.

More details and a link to the application materials are available at
