## MEMORANDUM

TO: Kenosha County  
FROM: Keen Independent  
DATE: June 1, 2023

### FOR IMMEDIATE RELEASE Public Input Questionnaire for the Kemper Center/Anderson Arts Center Utilization and Business Plan

The County of Kenosha has engaged Keen Independent to create a utilization and business plan for the Kemper Center/Anderson Arts Center campus. As part of this process, the Keen Independent study team will develop a plan that includes a measurable analysis of the campus and recommendations to guide Kenosha County's long-range planning goals.

This plan will be based on input from the public. Keen Independent invites you to participate in a public input questionnaire to help inform this plan. You can access this questionnaire by scanning the QR code or visiting [qrco.de/Kemper](http://qrco.de/Kemper).

"Our objective is to study how Kemper Center and the Anderson Arts Center are currently being used, and to develop recommendations to optimize the facilities' use and viability for many years to come," said Kenosha County Executive Samantha Kerkman. "We welcome the public's input as we develop this plan."

This questionnaire will be live during the month of June.

You can also submit input regarding the Kemper Center/Anderson Arts Center Utilization and Business Plan by calling the project hotline at (262) 208-4572 or emailing the study team at [KemperCenterPlanning@keenindependent.com](mailto:KemperCenterPlanning@keenindependent.com).
