

EFFECTIVE JANUARY 8, 2024

CHANGES TO PERMITTING ADMINISTRATION IN THE VILLAGE OF SALEM LAKES

Effective January 8, 2024, the Kenosha County Planning & Development Office will begin administering zoning and building administration, permit and inspection services for properties located in the Village of Salem Lakes from the Kenosha County Planning & Development Office located at 19600 75th Street, Bristol, WI.

Effective January 8, 2024, the [online permitting portal website](#) will allow property owners and contractors to apply for both their Village of Salem Lakes zoning permit and Village of Salem Lakes building permit in a single online permit process.

The following chart indicates which permits can be applied for via the Kenosha County Planning & Development Office effective January 8, 2024.
