Bridge over the Dutch Gap Canal
CTH WG
Kenosha County

The Wisconsin Department of Transportation along with the Kenosha County Division of Highways proposes to replace a bridge on Highway WG over the Dutch Gap Canal approximately 0.23 miles east of the intersection with Highway 45.

Final plans for this project will be submitted later this year, with construction expected to occur in spring and summer 2025.

A presentation with more detailed project information is available online, under the “Current Projects” tab at <https://www.kenoshacounty.org/Highways>.

The public is encouraged to learn more about the proposed improvements and provide input before Feb. 29, 2024.
