### Ballot Text

Referendum Election Details

The question will appear on the ballot as follows:

### STATE OF WISCONSIN REFERENDUM

Question #1: "Use of private funds in election administration. Shall section 7(1) of article III of the constitution be created to provide that private donations and grants may not be applied for, accepted, expended, or used in connection with the conduct of any primary, election, or referendum?"

SECTION 1. Section 7 of article III of the constitution is created to read:

[Article III] Section 7(1) No state agency or officer or employee in state government and no political subdivision of the state or officer or employee of a political subdivision may apply for, accept, expend, or use any moneys or equipment in connection with the conduct of any primary, election, or referendum if the moneys or equipment are donated or granted by an individual or nongovernmental entity.

(2) No individual other than an election official designated by law may perform any task in the conduct of any primary, election, or referendum.

SECTION 2. Numbering of new provision. If another constitutional amendment ratified by the people cre ates the number of any provision created in this joint resolution, the chief of the legislative reference bureau shall determine the sequencing and the numbering of the provisions whose numbers conflict.

Now, therefore, be it resolved by the senate, the assembly concurring. That the foregoing proposed amendment to the constitution is agreed to by the 2023 legislature; and, be it further

Resolved, That the foregoing proposed amendment to the constitution be submitted to a vote of the people at the election to be held on the first Tuesday of April 2024; and, be it further

Resolved, That the questions concerning ratification of the foregoing proposed amendment to the constitution be stated on the ballot as follows:

QUESTION 1: "Use of private funds in election administration. Shall section 7(1) of article III of the constitution be created to provide that private donations and grants may not be applied for, accepted, expended, or used in connection with the conduct of any primary, election, or referendum?"

QUESTION 2: "Election officials. Shall section 7(2) of article III of the constitution be created to provide that only election officials designated by law may perform tasks in the conduct of primaries, elections, and referendums?"

### **EXPLANATORY STATEMENTS AS TO THE TWO QUESTIONS**

### 1. Explanatory statement regarding Question 1:

The Wisconsin Constitution does not limit the ability of the state or local governments to receive nongovernmental grants, funds, or equipment to assist in carrying out election-related responsibilities. Question 1 would add a new provision to the Constitution to prohibit the state or local governments from applying for, accepting, expending, or using such funds to assist with carrying out "any primary, election, or referendum." The question would appear to apply to any type of non-governmental grant or funding, no matter how general in scope

A "yes" vote on Question 1 would vote to create a new provision of the Wisconsin Constitution - Wis. Const art. III, § 7(1). That provision would prohibit a state agency or local government from applying for, accepting, expending, or using any non-governmental moneys or equipment in connection with the conduct of any election.

A "no" vote on Question1 would vote not to add Wis. Const. art. III, § 7(1) to the Wisconsin Constitution.

### 2. Explanatory statement regarding Question 2:

Wisconsin statutes define and regulate how clerks can designate individuals to serve as election officials and carry out various tasks relating to elections. The Wisconsin Constitution does not separately spell out which individuals can do that work.

Question 2 would add a new provision to the Constitution to prohibit individuals from performing tasks related to an election unless they are an "election official designated by law." Under current statutes, clerks have the statutory power to designate individuals to carry out election-related tasks, and so much designated individuals could continue doing their work as an "election official designated by law." But, that power is only statutory, and if the statutes changed, the new constitutional provision would bar clerks from designating individuals to assist with election-related tasks.

A "yes" vote on Question 2 would vote to create a second new provision of the Wisconsin Constitution- Wis. Const. art. III, § 7(2), which would prohibit an individual from performing election-related tasks unless they are an "election official designated by law.'

A "no" vote on Question 2 would vote not to add Wis. Const. art. III, § 7(2) to the Wisconsin Constitution.

Done in the County of Kenosha, this 1st day of April 2024. Regi Waligora, Kenosha County Clerk "Shall the School District Number 1, Town of Brighton, Kenosha and Racine Counties, Wisconsin be authorized to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$200,000 for the 2024-2025 school year, by \$225,000 for the 2025-2026 school year, by \$250,000 for the 2026-2027 school year and by \$275,000 for the 2027-2028 school year, for non-recurring purposes consisting of operational expenses and maintaining educational programming?
