

Welcome!

The Aging & Disability Resource Center is a no cost "one-stop-shop" for information and services for older persons, persons with disabilities, their families and caregivers.

We provide quick and easy access to objective and reliable information, guidance, and assistance that involve a wide variety of available services, resources and benefits.

Who we help

- ◆ Older adults (60+)
- ◆ Adults with physical or developmental disabilities (18+)
- ◆ Children with disabilities as they move into adult services.
- ◆ Caregivers, family members, and guardians.

Call or visit us
Monday – Friday
8 a.m. – 5 p.m.
Appointments available.

Loan Closet

Durable medical equipment, such as crutches, shower chairs, toilet risers and walkers, is available for short-term or long-term use.

Benefit Assistance

Help with Medicare, Medicaid, Social Security, health insurance, and other benefit issues.

Medicaid

Help to apply for nursing home care, and the Home & Community programs.

Long-Term Care Consultation

Private discussion about options for help at home, or residential care. Learn about qualifying for funding programs.

Dementia Care Specialist

Memory screening, information, support and guidance for individuals and families. Music & Memory, Memory Café.

Health & Wellness

Workshops and classes to address caregiver stress, falls prevention, and quality of life.

Transition Services

Help for young adults with disabilities as they move from children's services to adult services.

Community Education

Community presentations about Medicare, Power of Attorney for Healthcare, File of Life, dementia, transportation, long-term care, protective services and more.

Protective Services

Adult Protective Services (APS), housed with the ADRC office, provides investigations, interventions, advocacy and support for vulnerable adults at risk of abuse, neglect and financial exploitation. APS also provides a Volunteer Guardian service.
